Course Description:

The course focuses on expansion of communication skills in speaking, listening, writing and reading. At the end of the course, students will be able to use different discourse styles and to communicate appropriately in a variety of social context.

Learning Goals:

Successful completion of the course fulfills the following Asian Languages and Cultures Departmental Learning Goals for Korean majors and minors:

- *Majors* in Korean will acquire in-depth knowledge of the Korean language as well as the literature and culture of Korea. Majors will be able to demonstrate oral, reading, and written proficiency in the language and develop critical skills in analyzing and interpreting literary, historical, and cultural texts. Students will acquire the literary, cultural and linguistic competency necessary for continuing onto post-graduate study or employment requiring such cultural knowledge and/or linguistic skill. Students will learn the cultural heritage of Korea within the larger context of East Asia through a wide and coherent curriculum, which includes courses in the following humanities and social science disciplines: literature, visual culture, history, religion, language and linguistics.
- *Minors* will be introduced to the cultural heritage of Korea through courses on literature, history, civilization, language and linguistics. Minors will be able to communicate effectively (listening, speaking, and writing) in Korean and will learn critical skills in analyzing and interpreting historical and cultural materials appropriate to the student's area of specialization. Students will achieve advanced linguistic competency and be able to demonstrate practical skills in using Korean for translation and interpretation. Course Requirements and Grading Policy:

(1) Attendance and Class Participation:

- You are expected to attend every class and arrive on time. Poor attendance, frequent lateness and early departure will affect your grade. Attendance will be taken at the beginning of each class. **Being tardy to class three times or leaving class early three times will count as an absence.** Missing a class for more than 40 minutes will be also considered one absence. **If your absences exceed 2 classes (3 and more absences), you will not receive an A regardless of your semester scores. If your absences exceed 6 classes (7 and more absences), you may fail the course.**
- Each absence beyond two unexcused absences will result in -1.2 points deduction in your attendance score.
- Low attendance and use of digital devices (Laptops, MPs players and cellular phones) will also cause deduction in participation scores without warning. Digital devices must be turned off during class.
- You may not leave the classroom during class without the instructor's permission.
- It is **YOUR** responsibility to keep up with what you have missed for absences.

(2) Homework:

WORKBOOK

7%

- You should have done homework assignments **before** class to participate fully in the classroom activities.
- Each homework assignment should be re-submitted after correcting the errors marked by the instructor during the first submission. This re-do submission is due by the day indicated on the schedule.
- Those submitted later but before the next class starts will earn 80% of the credit. Those submitted on the following class will earn 70% of the credit. Those submitted after the following class but before re-do submission due date will earn 50% of the credit. Any assignments submitted after that will not be accepted. (If you cannot submit your homework because of your absence, you may submit it at the beginning of the next class with full credit.)

ONLINE ASSIGNMENTS

3%

- Instead of weekly language lab visit, you are required to complete weekly online assignments given by instructor. Visit Sakai course site for details.

(3) Quizzes:

- There will be one vocabulary quiz and one lesson quiz for each lesson.
- There will be no make-up for a missed quiz. Missing a quiz is the equivalent of a zero (0). If you plan to miss the class on the day of quizzes, you may take the quiz in advance with instructor's

permission. For missed midterms, you will be allowed for a make-up with only 80% of what you make.

- (4) Visit the Sakai course site for announcements. Download the audio files from <http://www.kleartextbook.com>
- (5) There will be absolutely **NO extra credit assignment**. If you are worried about your grade, come to see your instructor as soon as possible.

In addition to the university attendance policy
