Course Description:
This intermediate level course on Modern Mandarin Chinese places equal emphasis on speaking, listening, reading and writing to further develop the student’s ability to communicate effectively and appropriately in the language. Through a wide variety of classroom activities, daily quizzes, and homework and writing assignments, you will build up a more comprehensive understanding of the fundamental grammar of the language, and expand your knowledge of its core vocabulary and commonly used phrases. By the end of the course, you will be able to converse in Chinese beyond the sentence level on topics related to daily life, academic life and some aspects of the Chinese culture. In addition to improving the students’ fluency in the “spoken style,” the course also begins to introduce students to some basic “written style” expressions. The course is conducted in Chinese.

Course Requirements & Evaluation

- Attendance & Participation 出席与参与 10%
  This is a language class, which means class time is crucial to your learning. You are expected to come to every class on time and actively participate in class activities. All electronic devices must be off while class is in session. Attendance will be taken at the beginning of each class. Three late arrivals to class will count as one absence. You are allowed only two unexcused absences. Your final grade will be reduced by one full point for each unexcused absence beyond the first two. More than 7 unexcused absences will lead automatically to an “F” in your final grade. Absences can be excused only for religious reasons (must be reported in advance), or documented emergencies (official documents must be provided). If you expect to miss a class, please use the university absence reporting website (https://sims.rutgers.edu/ssra/) to indicate the date and reason for your absence.

- Preparation & Daily Quizzes 小考 15%
  Learning a foreign language is an exciting but also a demanding endeavor. Make sure your schedule allows you to commit to spending a minimum of one to two hours to prepare for each class. In this semester, we will cover Lessons 1~8 of Integrated Chinese. Each Lesson will have four or five class meetings. For each class, you are expected to review the materials we covered in the class, and complete the assignments. A short quiz will be given at the beginning of each class. If you are late to class, you will miss the daily quiz. There are absolutely no make-ups for the quizzes.

- Homework and Writing Assignments 作业 15%
  For each Lesson, homework is assigned for the first three class meetings and a writing assignment is assigned for the fourth class meeting. These assignments are due at the beginning of the following class (the due date for the writing assignments are also indicated on the syllabus). Homework and writing assignments consist of exercises from either the Integrated Chinese Workbook (WB in the schedule) or worksheets given out in class. If you decide to purchase the Character Workbook and use it to practice writing Chinese characters, you may turn the worksheets in with your writing assignments; they will be corrected for you. Late submissions within one week of the due date will be docked by 10% for each day they are late. Assignments submitted one week after the due date will not be accepted.

- Oral Presentations 口试 10%
  Oral Presentation 1 口试一: October 21 (Monday)
  Oral Presentation 2 口试二: December 11 (Wednesday)
  For Oral Presentation 1 (5%), you will have an individual oral interview with the instructor.
  For Oral Presentation 2 (5%), you will work in groups of 3-4 to write and perform a short
skit in Chinese. You will have opportunities in class activity time to prepare for the oral presentations.

- **Unit Tests** 大考 30%
  - Unit Test 1 第一次大考 (10%): Lessons 1~2, September 26 (Thursday)
  - Unit Test 2 第二次大考 (10%): Lessons 1~4, October 23 (Wednesday)
  - Unit Test 3 第三次大考 (10%): Lessons 1~6, November 14 (Thursday)
  All unit tests are cumulative. Rescheduling of a unit test is only possible for officially excused absences or conflicts (official documents must be provided). You can only reschedule a unit test if you notify the instructor **in advance**.

- **Final Exam** 期末考 20%
  - Cumulative, covering Lessons 1~8
